**Coordinator's Update:**

Kim Dennison reported that L&A Testing would begin on Monday, August 27, 2012 for the School Election and that the media and ballots have been received from ES&S. Kim stated that the office has received several calls from voters who are in the school districts that are conducting early and absentee voting only. She stated that most school districts do this because they have no contested races in their districts and it is cheaper for the schools to not have polling sites open when there are no contested races. Kim reported that the three (3) County Clerk's offices have paper ballots, while Iberia Bank and the Centerton Fire Station will be conducting electronic voting only. Kim reported that the early voting hours will be held during normal business hours, from 8:00 A.M. to 4:30 P.M. at the County Clerk's offices, and from 9:00 A.M. to 4:00 P.M. at Iberia Bank and the Centerton Fire House.

Commissioner Anzalone asked Kim about the refresher training courses that the Election Commission is offering for the upcoming General Election. Kim stated that a low response has been received for the refresher course and that due to the low response; several of the classes have been consolidated. Chairman Brown asked Kim about the number of ballot splits for the General Election. Kim responded that the preliminary count shows there will be 169 different ballot faces for the General Election to be held November 6, 2012.
